## Monthly Inventory Storage Fees

Effective October 1, 2017, the monthly inventory storage fee for October will be increased for standard-size and oversize items to be consistent with the monthly inventory storage fees for November and December. On the same date, we will also reduce the Fulfillment Fee for all items shipped in October to be consistent with fulfillment fees in November and December.

**Monthly Inventory Storage fees**

**Effective March 1, 2017**

	<i>Standard-size</i>	<i>Oversize</i>
<b>January–September</b>	\$0.64 per cubic foot	\$0.43 per cubic foot
<b>October–December</b>	\$2.35 per cubic foot	\$1.15 per cubic foot

## Inventory Placement Service Fees

Effective July 19, 2017, Amazon will increase how often you are asked to send items to multiple destinations when creating your shipping plan. For each shipping plan, you may choose to follow Amazon's guidance or use the Inventory Placement Service, which gives you the option to ship to fewer destinations. A per-item service fee applies when you use the Inventory Placement Service. The fee depends upon the number of destinations you choose.

**Inventory Placement Service fees (standard-size)**

**Prior to July 19, 2017**

\$0.30 + \$0.10/lb. above the first 1 lb.
